COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Sir:

In the Examiner's Statement of Reasons for Allowance attached to the Notice of Allowability mailed March 3, 2005, the Examiner listed reasons for the allowance of the claims. However, the features noted by the Examiner do not accurately reflect what is recited in each of the independent claims. For example, Claim 12 is directed to a method having steps and does not recite the apparatus elements noted by the Examiner. Nevertheless, Applicants respectfully submit that each of the pending claims is allowable for its combination of claimed features.

Applicants' undersigned attorney may be reached in our Washington, D.C. office by telephone at (202) 530-1010. All correspondence should continue to be directed to our below-listed address.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Mark A. Williamson", written over a horizontal line.
